

NEVER JUST STAY. STAY INSPIRED.

CONRAD®
HAMBURG

GENERAL INFORMATION

The Conrad Hamburg, opening in summer 2025, marks the German debut of the Conrad by Hilton brand and offers timeless luxury in the heart of the Hanseatic city.

GUESTROOMS + SUITES

The hotel features 283 rooms, including 28 studios with kitchenettes and 29 suites. The generously sized guest rooms, starting at 32 m², combine stylish design with the highest level of comfort and are well equipped, including openable windows. A special highlight is Hamburg's largest Presidential Suite, offering an impressive 231 m² of luxurious space.

HEALTH + FITNESS

The 1,000 m² spa and fitness area includes a 20-meter pool, sauna, steam bath, and whirlpool, as well as an extensive range of treatments and wellness services.

LOCATION

Thanks to its prime location on Mönckebergstraße, key destinations such as the Alster, Jungfernstieg, and Neuer Wall are just a short walk away. Nearby landmarks such as the City Hall, the Alster, and Hafencity with the Elbphilharmonie are also within easy walking distance.

MEETINGS + EVENTS

The luxury hotel is located in the historic Levantehaus, an impressive commercial building dating back to 1912, in a prime central location on Mönckebergstraße.

CONFERENCES

Thanks to its central location and excellent connections to Hamburg Central Station and the airport, the new Conrad Hamburg offers the perfect setting for any type of event. Guests can choose from a selection of tailored meeting rooms, a thoughtful catering concept, and a highly motivated service team that ensures every event is a success.

- Nine distinctive event spaces are available for conferences, meetings, and events with up to 220 guests.
- All rooms feature natural daylight and large windows that can be opened.
- The event floor is located on the second level of the hotel, alongside the lobby and dining areas.

FACILITIES

Flexible room concepts seamlessly adapt to individual requirements - ranging from modern boardrooms of 43 m² to spacious conference areas of up to 228 m². All rooms are equipped with state-of-the-art AV equipment, providing the perfect setting for unforgettable events.
